Cause No. CR 06-538 JH

**ORDER GRANTING CONTINUANCE**

THIS MATTER comes before the Court on the motion of Defendant DANUEL DEAN QUAINANCE for continuance of trial setting in this cause. The Court, having reviewed the Motion, being aware of the positions of the parties and being otherwise fully advised in the premises, is of the opinion that the Motion is well taken and should be granted.

It is therefore **ORDERED** that the trial of this cause be and is hereby continued from its present setting on the January 16, 2007 trial calendar. This case will be placed on the **FEBRUARY 20, 2007** trial docket in Albuquerque, before Judge Lyle E. Strom, Senior U.S. District Judge, sitting by designation from the District of Nebraska. The deadlines related to the January 16, 2007 trial setting, such as for motions in limine, jury instructions, requested voir dire questions and plea date, are also hereby vacated and will be reset by further order of the Court.

The Court further finds that the interests of justice would best be served by the granting of this motion, and that this outweighs the interests of the public and the defendant in a speedy trial, 18 U.S.C. 3161 (h)(8)(A).
