ORDER MODIFYING CONDITIONS OF SUPERVISED RELEASE

The Court, having considered Defendant Kripner's unopposed motion for modification of the terms of his pretrial release to allow him to work outside the home, finds that said motion should be, in all things, GRANTED.

Pretrial Services Officer David Banegas indicated on May 17, 2007 that he did not oppose this motion. Assistant U.S. Attorney Luis Martinez indicated on June 5, 2007 that he did not oppose this motion.

Accordingly, it is therefore ordered that terms of Defendant Kripner's pretrial release be amended so as to allow him to work outside the home. All other terms of his pretrial release shall remain in effect.

SO ORDERED.
